St Erth Parish Council 14 May 2019

Chairman's Annual Report 2018-19

I'm pleased to highlight the most important events of last year and take a look at the year ahead.

Last year saw:

1. the adoption of the Neighbourhood Plan;
2. significant progress with our highway safety improvements;
3. active participation with the development of the Hub; and
4. the award of a car park levy.

In all cases, these achievements resulted from sustained efforts over a number of years and I'd like to thank all Councillors who had a hands-on role in one or more of them.

Special mentions must go to our retiring Vice-Chairman, Mick for his involvement with the Hub and the highway improvements and to Ted not only for his work on all of these achievements but for all of his other activity, behind-the-scenes. Thanks to both of you.

The year ahead will see the completion of the Hub (I hope!), the delivery of the highway safety improvements and real progress with the renovation of the Vestry Rooms.

I'm pleased that the planning and listed building process is underway and the project is moving forward.

I look forward to the coming year and working with all Councillors for the benefit of the St Erth community. Thank you.

Councillor Kevin Buzza

Chairman of St Erth Parish Council
