

St Erth Parish Council

Staff Recruitment Policy and Procedure

1. Introduction

- 1.1. Good recruitment, selection and retention practices are an essential ingredient in maintaining a high-performing organisation that works for all members of our community.
- 1.2. The Council is committed to being a fair and equitable employer with good working conditions, delivering the highest standards of service and providing value for money to our residents.
- 1.3. The Council is committed to equality of opportunity and all recruitment and selection processes will take place within the framework of equal opportunities legislation. Every possible step will be taken to ensure that individuals are treated respectfully and fairly and that decisions on recruitment and selection are based solely on objective and job-related criteria.
- 1.4. This Recruitment Policy and Procedure will:
 - be fair and consistent, ensuring that we always appoint the most suitable person for the job by assessing skills, abilities and knowledge using fair and transparent methods.
 - be non-discriminatory, promoting the principles of the Equality Act 2010.
 - support the Council's commitment to safe recruitment, safeguarding and promoting the welfare of children, young people and adults who may be at risk.
 - conform to all statutory regulations and agreed best practice.

All selection panels will have at least one member who has received Safer Recruitment training.

- 1.5. The Council is committed to safeguarding and promoting the welfare of all our residents – children, young people and adults – and as an employer, we expect our staff, volunteers and contractors to share this commitment. Our recruitment processes include measures designed to deter, reject or identify people who might abuse others and to minimise the risk of someone unsuitable gaining a position in our organisation.
- 1.6. The Council is responsible for the appointment of staff.

2. The vacancy – preliminary considerations

- 2.1. When a role becomes vacant or there is an identified staffing need, the Council will review the role and its associated duties within the context of the overall staffing requirement. The review will include consideration of the number of hours necessary to undertake the job and also assess what employment checks are necessary e.g. a DBS check.

- 2.2. Consideration will be given to whether the vacancy should be filled from internal or external sources. Where external recruitment is the chosen option, the budget for the recruitment process must be approved by the Council in advance.
- 2.3. All vacancies will have a Job Description and Person Specification which will be made available to any prospective candidate in a recruitment pack. They will also be posted on the Council's website.
- 2.4. The recruitment pack will include:
 - a covering letter which sets out the timetable for the recruitment and appointment process
 - job description and person specification
 - information on the job role and its place in the Council
 - information on the Council itself
 - key terms and conditions of employment, including hours of work and salary
 - application form
 - statement on safeguarding
 - any other information relevant to the post

3. Advertising the post

- 3.1. Staff vacancies will normally be advertised externally and placed on the Council's website. The use of other advertising outlets will be decided by the Parish Council and may include local news media, specialist publications, appropriate websites or social media platforms. The advertisement must be consistent with the person specification and job description and all requirements stated must be justifiable and objective. The closing date for receipt of applications and a contact for the Council will be included in the advertisement.
- 3.2. Recruitment will be by means of the Council's application form to ensure consistency and assist in the shortlisting process.
- 3.3. Applicants will be notified that details in their application forms will be used in accordance with Data Protection legislation. This means that information is confidential and can only be used for assessment and selection, and for employment records if their application is successful.

4. Shortlisting

- 4.1. All applications received by the deadline will be considered and assessed against the person specification. A shortlist will be drawn up by at least two nominated Council representatives. Members of the shortlisting panel will assess each applicant independently before agreeing a final shortlist. A written record will be kept for each candidate.
- 4.2. Shortlisted candidates will be invited for interview and requested to bring to the interview documents that provide evidence of their right to work in the UK.

5. Interview arrangements

5.1. The Parish Council will agree arrangements for interviews, including:

- timetable for interviews and taking up appointment
- requesting references to support the interview process
- interview format
- panel composition
- who will chair the panel
- interview questions for all candidates based on the job description and person specification

5.2. All candidates will be asked the same set of questions but it is acceptable to ask supplementary questions for clarification or to query any inconsistencies or gaps in their application form. The selection process may also include other selection techniques, such as written and practical skills assessments.

5.3. The Council recognises its obligations under the Immigration, Asylum & Nationality Act 2006. All candidates will be required to bring appropriate documents to the interview (e.g. birth certificate, passport) which provide evidence of their eligibility to work in the UK. Any offer of employment is conditional upon satisfying this requirement.

5.4. Members of the Interview Panel will score each candidate individually and a written record will be kept to inform the final decision. The panel Chair will complete the Interview Decision form to formally record the outcome.

5.5. The Parish Council will retain documents relating to successful candidates on their personal file. All documents relating to unsuccessful candidates will be retained for 6 months after which time they will be destroyed.

6. Post-interview

6.1. Offers of employment will normally be made by telephone, followed up by letter. All offers are subject to and conditional upon receipt of satisfactory employment checks and subject to a six month probationary period.

6.2. References will be sought from the current employer or immediate past employer. The Council reserves the right to make further enquiries of the reference-provider where appropriate. A start-date will not be confirmed until all pre-employment checks have been satisfactorily undertaken, including:

- Evidence of right to work in the UK
- Proof of relevant qualifications
- DBS check (if appropriate)

Documents must be verified through sight of the original documentation and copies taken for the personnel file.

6.3. Unsuccessful candidates will normally be informed of the outcome by phone and feedback will be offered.

- 6.4. Once pre-employment checks have been satisfactorily completed, a letter confirming the appointment will be sent to the successful candidate, together with contract documents, setting out the full terms and conditions of their employment. Where the position is fixed-term in nature this will be identified to the candidate in the offer letter and contract of employment. The candidate will be required to sign and return a copy of the employment contract to confirm agreement to its terms and conditions.
- 6.5. All staff employed by the Council will be paid in accordance with the nationally negotiated pay scales in force at the time, and subject to the National Joint Council (NJC) terms and conditions.
- 6.6. All staff employed by the Council will be enrolled in the Council's contributory Pension Scheme under regulations in force at the time of appointment unless they choose to opt out.
- 6.7. The Council will ensure that an appropriate Induction Training programme is arranged for the employee to commence upon taking up their employment.
